DK forty five 50 hour service just right afternoon other folks, A couple of questions at the first 50 hour carrier of my DK45. I'm understanding I need to alternate the oil and clear out,hydraulic fluid and clear out and the entrance axle fluid. Oil & gasoline L6060 first oil alternate. I performed the first service on my L6060 a few month in the past.

I take advantage of nothing however kubota filters and oil on my kubota tractors because my dealer is best four miles away and provides me a bit of a smash on portions, and so on. The kubota hydrostat filter is the same to the clear out put in on the manufacturing unit. DK forty five 50 hour service, Just Right afternoon other people, A few questions on the first 50 hour provider of my DK45.

I am working out I wish to trade the oil and filter,hydraulic fluid and filter and the front axle fluid. Oil & gasoline L6060 first oil trade. I performed the primary carrier on my L6060 a couple of month ago. I use nothing but kubota filters and oil on my kubota tractors as a result of my dealer is simplest four miles away and provides me a little bit of a ruin on parts, etc.

The kubota hydrostat clear out is identical to the filter out put in at the manufacturing unit.
